

You and your team can unlock an unlimited number of computers using the following four pieces of information:

- \* Organization Name: O'Rourke Middle School
- \* Show: Joseph...Dreamcoat (Original)
- \* Order Number: CCH-005228
- \* Unlock Code: 1C0BB48947536673FE545E661E9503F3

All other details may vary from person to person. But the four items above must match precisely in order to unlock.

Here are the unlock steps:

1. If the program is not already on your computer, download and install it from the following link (Note: You do not need to re-download/install if you already have the trial version. You just need to unlock it with these instructions):

<http://www.rms.biz/products/RMS%20Coach/>

2. Click the 'Authenticate' button at program launch.

3. Enter your user information details, making sure that the Organization name is *exactly* as follows:

O'Rourke Middle School

4. Make sure the show pop-up menu is set to "Joseph...Dreamcoat (Original)". Pay particular attention if this title has multiple versions on offer.

5. Towards the bottom of the screen, click 'Yes' to the question "Has your organization already purchased this program?"

6. Enter the following into the Order Number field:

CCH-005228

7. Click 'Unlock.'

8. Copy and paste the following code into the Unlock Code screen:

1C0BB48947536673FE545E661E9503F3

9. Click 'OK.'

Your RMS Coach should now be fully unlocked.

We recommend copying and pasting the above code into the unlock code field. (It should be a single, unbroken line of text.)

Please pass along this email to anyone involved with your production who wants to use RMS Coach. As long as they precisely enter the key items mentioned into the authentication screens, they will be able to unlock their copy of the program. Note: your cast and production team will need to enter the organization name *exactly* as you originally did (i.e. all spelling, punctuation and capitalizations consistent with the details above).
